Important Notice:

Please be advised that the Village's Recreation Program is being conducted for the general benefit of the community. Entering your child in the program or advising us of any special situations will help us in running the program. It is, however, impossible for the Village of Montgomery and the Valley Central School District to guarantee the health and safety of every child in the program or that all Village employees and program volunteers will have knowledge of each and every special situation. The expense of liability insurance would preclude the Village Of Montgomery and Valley Central School District from having this recreational program for the general benefit of the community if a special relationship was legally established with each child. If you do not wish to abide by these limits on liability, PLEASE DO NOT ENTER YOUR CHILD.

In consideration of the Village granting and continuing permission for use of its facilities and personnel, I hereby authorize my child, whose name appears above, and hereby release the Village of Montgomery, Valley Central School District, its employees and volunteers from any liability, claims, damages or expenses sustained by my child in connection with such participation. In case of injury while at the program, I give permission for my child to be taken to a hospital for treatment (to include evaluation for injuries, x-rays) and any needed care. I understand the group leader will try to contact me in case injury occurs. I have explained to my child that she/he is to obey the volunteer coaching staff and to follow the rules, regulations set by them, the Village and the facilities.
